APEX Award of Excellence Honors RHDG for the Fifth Time

June 2010

Riezebos Holzbaur Group (RHDG) has been awarded one of the publishing industry's most prestigious awards, the APEX Grand Award. The annual APEX Awards are a national competition focused on excellence in overall communications, graphic design and editorial content.

Of the more than 3,700 entries submitted, RHDG was one of just 100 that was bestowed with the award. In the category of Magazines and Journals (For Profit), RHDG won for its continued art direction and design work on *Leader to Leader Journal*, a quarterly journal for John Wiley and Sons. RHDG found itself in good company in that category as other prestigious winners included: MIT, T. Rowe Price, and the Ford Motor Company.

This year marks the fifth time that RHDG has been bestowed with this honor—and celebrates their 10th Anniversary with the Journal. They are thrilled to accept this award and to be consistently recognized as one of the best agencies within the publishing industry.
