## **RHDG Continues to Build on Their Relationship with San Francisco Housing Authority**

*November 2010*

Riezebos Holzbaur Group (RHDG) is excited to announce that the San Francisco Housing Authority (SFHA) has renewed its contract with RHDG to design and produce the Authority's annual report.

As the oldest, and one of the largest housing authorities in California, the SFHA takes pride in their commitment to create and maintain safe and affordable housing for nearly 33,000 low income households, as well as provide job opportunities to residents through collaborative partnerships. Showcasing their initiatives, objectives, and highlighting the previous year's achievements for their annual report is an important and high profile task.

RHDG is proud to be chosen for a second year to design and create such a highly visible publication.
